Dear Friends,

Over twenty years ago, I recall walking with Fr. Frank Pavone in Florida up and down the lines of voters who were going into the polling places in the 2004 elections.

We were urging them to vote prolife.

This was just one of many initiatives that followed, in my long years of work with Fr. Frank and his team, of educating voters to seek first the Kingdom of God and his righteousness, at all times and places, including in the voting booth.

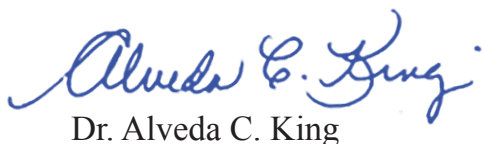

Now Fr. Frank has launched “ProLife Vote,” which will continue and intensify the work he has done to help voters make a difference. I want to urgently invite you to get involved with this effort, rooted in the truth, as I always say, that we are One Blood, from the womb to the tomb and beyond.

You can rely on the insights, the integrity, and the courageous dedication that Fr. Frank and his team will pour into this effort. Our nation needs, more than ever, to have believers and prolife citizens come to the polls with an informed mind and a heart committed to freedom and life.

Thank you in advance for all you will do to make “ProLife Vote” a success.

Sincerely,

Dr. Alveda C. King
