

PROLIFE VOTE

Life Before Liberty in Pursuit of Happiness

In President Trump's campaigns, I was proud to serve on the advisory board for Catholic issues and as National Co-Chair of Pro-life Voices for Trump! "Frank Pavone is a great man!"

President Trump, 2025

I am so thrilled to learn about the new 501 (c)(4), ProLife Vote. I've known Fr. Frank Pavone since 2004, and I know that he is standing on Biblical principles and working hard to save lives.

It is very important that we don't just work to do the educating about pro-life, but that we also take that education and that love for human life and turn it into action. That's exactly what ProLife Vote is going to do.

"Fr. Pavone has the most effective political impact of any Catholic apostolate in our country."

Dr. Deal Hudson

*Director, Catholic Outreach,
Presidential campaigns of
George W. Bush*

"Father Pavone insightfully writes that *Roe v. Wade* didn't just subvert the principle that no government can authorize the killing of the innocent; it subverted the very government our nation's Founders created."

Ambassador Mike Huckabee
Former Governor of Arkansas

"I have known no better warrior in the fight to protect every human life than Father Pavone. He makes the compelling case that the pro-life cause defends the same principles for which our Founding Fathers fought. As they pledged their lives, fortunes, and sacred honor, so must we!"

US Senator Rick Santorum

"We in public office cannot do our job unless the church does her job. I've known Father Frank Pavone for many years and am proud of his work."

Ambassador Sam Brownback
*Former US Senator and
Governor of Kansas*
