April 1, 2025

Dear Father/Deacon,

Many suffer regret after abortion and do not know where to turn for healing. That is why various pro-life and healing ministries, our own among them, have designated the month of April as *Abortion Recovery Awareness Month*. We want our society to understand the wounds abortion brings, and the healing that is available to women, men and families.

The largest program in the world offering healing after abortion is Rachel's Vineyard, a ministry of Priests for Life. Rachel's Vineyard offers weekend retreats, as well as individual follow-up. Since its founding in 1994 by Dr. Theresa and Kevin Burke, the program has grown to offer hundreds of retreats annually across 49 states and 70 countries, providing weekend retreats and individual follow-ups. See **RachelsVineyard.org**.

Closely related to it is the Silent No More Awareness Campaign, a joint project co-founded by Priests for Life Executive Director Janet Morana and Anglicans for Life President Georgette Forney. This ministry enables those who have experienced abortion and found healing to share their stories publicly. See **SilentNoMore.com**.

Those suffering after an abortion can find a healing program at **AbortionForgiveness.com.**
At **AbortionTestimonies.com** you can read the stories of those who made the choice for abortion and how it impacted them.

These resources and more can be found on **LifeAfterAbortion.com**, including a ***tool kit*** with a myriad of resources you can refer to or print and distribute.

Throughout April, special programming will be available on Priests for Life's streaming channels, with a special live show with experts on Thu, April 10 at 8pm ET. See full schedule at **EndAbortion.TV**.
