Urgent Prayer Needed Over the Coming Weeks for Supreme Court Case

April 3, 2025

Dear Father/Deacon,

As I'm sure you are aware, the U.S. Supreme Court on Wednesday, April 2 heard oral arguments in a case called *Medina vs. Planned Parenthood South Atlantic*. The case is centered on an issue in South Carolina, but the outcome could have major implications for the nation's number one abortion cartel.

Here's the case in a nutshell: Under federal law, states can qualify or disqualify health care providers from receiving Medicaid funding. In 2018, South Carolina Governor Henry McMaster told his state department of HHS that because South Carolina law prevents funding of abortion, that the Planned Parenthood facilities in the state were disqualified from Medicaid funding.

But Planned Parenthood is challenging that, arguing that Medicaid patients have the right to choose their own providers, and that South Carolina is violating that right. Actually, the law says patients can choose from "any qualified provider." South Carolina is saying that patients do not have a right to sue to choose a provider outside of those deemed qualified.

At the pro-life rallies outside the Supreme Court yesterday, Priests for Life voiced a strong statement and handed out prayer cards for victory in this case.

Defunding Planned Parenthood has become a major goal of the entire pro-life movement. Last week I was in D.C. with Executive Director Janet Morana, visiting members of Congress to urge them to use the budget reconciliation process to cut off all Medicaid funding from abortion across the country. We will also be leading an effort to have people visit the *local offices* of their Reps and Senators to call for the same thing.

Over the next several weeks, until the Supreme Court releases its decision—most likely sometime in June or early July—please pray with your congregation for a pro-life outcome. You can learn more about this case and find a prayer and a link to order prayer cards at **SupremeCourtVictory.com**.
