***Healing** the Pain of Abortion – One **Weekend** at a Time*

May 15, 2025

Dear Father/Deacon,

As we honor fathers in the month of June, it's a good time to share a message of hope and healing with men who have lost a son or daughter to abortion.

While rarely recognized by society, men are emotionally and spiritually wounded by their participation in an abortion decision. I wrote in depth about men and abortion loss in my book *Tears of the Fisherman*, available now as an online flipbook at **TearsOfTheFisherman.com**.

Along with my wife, Dr. Theresa Burke, I was privileged to co-found *Rachel's Vineyard*, the world's largest ministry of healing after abortion. This ministry offers weekend healing programs for men and women. Participants later share the great blessing of bringing this wound to the mercy and healing of Christ and His Church, and the many personal, relational and family blessings that flow from this healing journey.

Consider sharing a message of hope and healing this Father's Day for those men in your congregation wounded by abortion. Please contact us for more information, and healing resources to assist in your parish outreach.

God bless,
