Closer than ever to Ending Abortion Funding: Let's Push Hard!

May 23, 2025

Dear Father/Deacon,

Early yesterday morning, the House of Representatives passed President Trump's "Big Beautiful Bill" which **contains the language that will cut off Medicaid funding to abortion businesses, including Planned Parenthood**.

Now the bill still has to pass the Senate – but it's a *"reconciliation"* bill, which means it only needs 51 votes – which means we don't need any Democrats, and we should be able to get it done.

Please urge your people to pray about this, and to contact by phone or a personal visit, the local and Washington offices of their Senators asking them to pass the bill. The Capitol switchboard is 202-224-3121 and our action alerts on this are at **StopAbortionNow.org.**

Ending the Medicaid funding to abortion businesses, including Planned Parenthood would be **our biggest victory since the Dobbs decision.**

The goal in getting this budget passed is to reduce wasteful spending. And there is no bigger - or more tragic - wasteful spending than sending our tax dollars to fund abortion sellers. Together, let's get this done!

Fraternally,

Please fax this back to 321-225-8271
