A Year Long Celebration of the 250th Birthday of Our Country!

June 19, 2025

Dear Father/Deacon:

Prepare your congregation for Independence Day with a special Novena of Prayer based on the Church's understanding of freedom and life!

See PrayerCampaign.org/IndependenceDay

The celebration of Independence Day this year is also the 249th birthday of our Country. We are at the beginning of a year-long celebration of our 250th birthday, July 4, 2026. See **America250.org.**

Closely connected to our independence is our ***religious freedom*** and our ***right to life.***

A couple of weeks ago, the White House invited me to attend the first hearing of the Religious Liberty Commission, established by President Trump. It took place this week and it was a great encouragement to be there.

This Commission should be of interest to every pro-life American, since the advancement of religious freedom strengthens the pro-life movement. The Commission wants to hear from everyday Americans about their experiences and hopes for the growth of religious freedom in America.

We at Priests for Life will certainly be sharing with Commission members the experiences we hear from you and other grassroots pro-life Americans who want to be free to proclaim and defend the sanctity of the lives of the unborn. If you feel your religious freedom is being hindered or threatened in any way, or you have had to face the choice between following your Faith and following the law, please share it with me.

So many of our people are often made to feel that they can't pray wherever and whenever they want, or somehow have to hide their faith in public. The Commission wants to hear about that, and also to hear our ideas about how we can strengthen religious freedom even more in America!

I will keep you updated on further actions of this Commission. Let's thank the Lord that we have it!

Blessings,

Frank A. Pavone
