Please Spread the Word that Healing after Abortion is Available

July 1, 2025

Dear Father/Deacon:

Rachel's Vineyard, the world's largest program for healing after abortion and a ministry of Priests for life, was founded by our Pastoral Associates, Dr. Theresa Burke, Ph.D and Kevin Burke.

Rachel's Vineyard retreats are a safe place to renew, rebuild and redeem hearts broken by abortion. Weekend retreats offer a supportive, confidential and non-judgmental environment where women and men can face what they have done and advance along the lifelong journey of healing from trauma, with the help of God's Word.

Find more information and the dates of weekend retreats at RachelsVineyard.org

Here is just one of hundreds of testimonies received from participants in these retreats.

> *Going on a Rachel's Vineyard Retreat was the best gift ever. Prior to the retreat, I had suffered for 18 years in silence since I aborted my baby in 1996. At the retreat, I was able to discuss my story for the first time in a supportive environment with empathetic people without being judged. The healing that occurs over the weekend is nothing short of miraculous! I now know that my baby is in the best of hands-God's-and I will meet up with my baby in heaven. I highly recommend a Rachel's Vineyard Retreat to anyone who has suffered from the aftermath of an abortion. God has the best gift ever in store for you.* – Michelle

For decades, Priests for Life has been a leader in the area of healing after abortion, has trained and assisted clergy to do so, and has helped to form the Abortion Recovery Coalition, a national network of similar healing ministries.

We urge pastors to make information about abortion alternatives and healing services a permanent aspect of their parish bulletin and website. See more information at **www.ProLife.Church**.

More healing resources can be found at **LifeAfterAbortion.com**.
