A Chance to Voice Your Opinion:
Get Veterans Affairs Out of the Abortion Business!

August 26, 2025

Dear Father/Deacon:

President Trump wants to get the Veterans Affairs Department out of the abortion business.

In 2022, the Biden administration published a rule that allowed VA facilities to perform abortions for military veterans and their families under certain circumstances.

The rule that expanded abortion access was part of Biden's response to the overturning of Roe v. Wade with the U.S. Supreme Court's Dobbs decision in June 2022. In the first year after it took effect, the VA provided or covered the cost of 88 abortions.

Now, a new rule unveiled earlier this month by Veterans Affairs would end abortions and abortion counseling for veterans and the beneficiaries of the Civilian Health and Medical Program.

"We take this action to ensure that VA provides only needed medical services to our nation's heroes and their families," the department said in the filing.

The proposed rule is open for public comment until Sept. 3 and I am asking you to submit one and ask your parishioners to do the same. The mainstream media has been reporting the Trump administration rule change as the worst thing that could happen to veterans, and it's likely that a significant number of the nearly 21,000 comments submitted to date echo this pro-abortion message.

Go to **StopAbortionNow.org** for more information, a link to the page to make a comment and suggested wording for a comment (or craft your own).

Thank you in advance for doing this and encouraging your parishioners to do the same.

Blessings,

Frank A. Pavone
