Priests for Life Leading Pro-Life Leaders' Meetings That Shape Pro-Life Strategies

September 9, 2025

Dear Father/Deacon:

Tonight and tomorrow, Priests for Life is hosting nearly 80 national pro-life leaders at a quarterly meeting in Washington, D.C., a gathering that has been held for decades.

Also, today I am leading the Board meeting of the National Prolife Religious Council, of which I am President and Chairman.

Many strategies in the pro-life movement emerge from these meetings, and you may or may not hear about them from diocesan sources.

Please pray for these gatherings, that our time will be fruitful and always result in effective strategies to end abortion.

Visit **ProLifeCentral.com** regularly to learn about our projects.

One of those projects is the **Good Shepherd Project**, an effort to assist priests, deacons, and pastors of other denominations in shepherding their people regarding the ongoing tragedy of abortion. This is accomplished through monthly online seminars broadcast on **EndAbortion.TV** and all the platforms linked from there.

The next seminar will be held on September 17 at 8 p.m. ET. Please tune in and help spread the word.

Blessings,

Frank A. Pavone
