Celebrating America's 250th: Inspiring Patriotism and Defending Life

September 24, 2025

Dear Father/Deacon:

Many elementary students today can't name the three branches of government or know that the first right in our founding document ***is the right to life***. To address this gap, the U.S. Department of Education, under Secretary Linda McMahon has launched a new initiative tied to America's 250th birthday.

To help celebrate our semiquincentennial in 2026, the Department is working with the America First Policy Institute and 40 national and state organizations to come up with meaningful programs and events that inspire patriotism. There will be numerous national, state and local events, marked by faith, prayer, and patriotism,

Priests for Life is pleased and honored to have been invited to be a member of the *America 250 Civics Education Coalition*. I attended the inaugural meeting of the coalition in late September in Washington, D.C.

As a national pro-life educational organization, we look forward to helping America understand what our founding documents say about the ***right to life***, given to every individual from the Creator, and about the very purpose of government to secure that right. We hope all the Churches will do the same and we look forward to working together with you in this regard.

As one of our key contributions, the national prayer service on the day of the March for Life (January 23) will focus on the theme of America's 250th birthday and the Right to Life as recognized in the Declaration of Independence. See **NationalPrayerService.com** for more information.

The commission already has projects in the works for 2026 including development of resources for teachers in grades kindergarten through 12 to help highlight patriotic themes in their classrooms. Please alert your school administrators. For more information and to sign up for updates go to **America250Civics.com**.

You can find pro-life preaching resources at **ProLifePreaching.org**. Our daily broadcasts at **EndAbortion.TV** offer programming about the abortion issue and efforts to end it. I look forward to being in touch with you more about this as we approach the 250th birthday of our Country.

Blessings,

Frank A. Pavone
