Act Now to Remove Abortion and Minor Gender Treatments from Health Plans

October 20, 2025

Dear Father/Deacon,

When the Affordable Care Act "Obamacare" was being debated in Congress in 2009 pro-life advocates were told that abortion would not be covered by insurance. I was deeply involved in that dispute, speaking with Republican and Democrat lawmakers and other pro-life leaders. That promise proved to be a lie.

Since 1976, the Hyde Amendment has protected American taxpayers from watching their hard-earned money pay for most abortions. One of the ways Obamacare was able to do an end run around the Hyde Amendment was to allow insurance exchanges offered in each state to cover abortion. Twenty-five states allow this coverage, creating a convenient loophole for abortion profiteers.

Now U.S. Sen. Josh Hawley (R-MO) is vowing, "No more loopholes" and has introduced a bill that would ***ban coverage of abortion - as well as gender transition "treatments" for minors - on all insurance exchanges.***

The bill, called *Prohibiting Abortion & Transgender Procedures on the Exchanges Act*, writes Hyde language directly into the federal coverage terms of health plans, and prohibits exchanges from offering any health plans that provide coverage of abortion or gender transition procedures or drugs.

This is an important bill that needs to pass while we have pro-life majorities in the House and Senate and a pro-life president in the White House.

Please encourage your congregation to call their U.S. senators, Republican and Democrat, to urge them to support Hawley's bill. Please do this as soon as you can, as the Senate is already set to be focused on the Affordable Care Act in the coming weeks, with a deadline for extending Obamacare subsidies on Nov. 1.

They only need to call the Capitol Switchboard at 202-224-3121 and ask to be connected to their Senator.

When Obamacare was first voted on, I preached at the Congressional prayer service right in the Capitol. We prayed for the protection of the unborn. May those prayers continue to bear fruit in this battle of today!

Blessings,
