Prayer of the Sick for the Protection of the Unborn

November 7, 2025

Dear Father/Deacon:

Priests for Life leads a year round prayer campaign by which those who are ill offer their sufferings for the unborn.

The prayer is available in English and Spanish and gives those suffering from physical illness an opportunity to pray that the unborn will be valued and protected, and that the violence of abortion will come to an end. *A Prayer of Offering by the Sick for the Unborn* can be found online at **PrayerCampaign.org**.

We invite priests, and all those who minister to the sick to share this powerful prayer with those they care for. Although the sick and those who are homebound are carrying the burden of their own illnesses, they are still active and necessary members of the Body of Christ and their prayers for their vulnerable brothers and sisters in the womb will have a special resonance.

We are asking you to spread this initiative to your parishioners, asking them to also share it among their relatives, friends, and also to those with whom they are connected online.

This prayer is especially appropriate as Christmas draws closer, the Feast of the Incarnation, when we remember that God has immersed himself in our humanity and joined himself to our joys as well as our sufferings.

Blessings,

A Prayer of Offering by the Sick for the Unborn

God of love and consolation,
You always draw us closer to yourself.
You ask us to trust you
And you make us always more like Jesus your Son.

Through his cross,
You give our human suffering
Divine meaning and purpose.

I pray today for all my brothers and sisters,
And especially for those most in need,
The children living in their mothers' womb.

Father, I offer my sufferings for them,
In union with the sufferings of Jesus.
Through my weakness, may they be protected,
Through my pain, may they be safe,
Through my loneliness, may they know the joy of life.

God of Life,
Bring an end to abortion in our world,
And bring peace and healing
To me and to all who are sick.

I pray through Christ our Lord. Amen.
