The Eucharist and Abortion

June 3, 2026

Dear Father/Deacon,

This Sunday is the Solemnity of Corpus Christi, and Priests for Life has a special webpage that emphasizes the relationship between the Eucharist and our pro-life work.

www.EucharistAndProLife.org

This page includes my Catholic Online course, "The Pro-Life Commitment Is Eucharistic."

Among the articles, talks, courses, prayers, and videos you will find there is the powerful music video, "***This Is My Body***," showing that the same words Jesus uses to give us life are used by abortion advocates to advance death.

I began speaking about this insight in the mid-1990's after watching a video of a pro-abortion protestor screaming, "This is my body!" We created a brochure about it, and then I asked Catholic singer Dana (Rosemary Scallon) to write a song about it. EWTN then produced the music video, which won a Catholic video award in 2000.

Other Catholic writers gave the theme additional publicity later in that decade, and this comparison has not lost its force. Christ gives His body away so others might live; abortion supporters cling to their own bodies so others might die.

As parishes, dioceses, and apostolates plan various Eucharistic events in June and beyond, we invite you to visit **EucharistAndProLife.org** regularly and utilize the resources. God bless you!

Sincerely,
