**Baby Gabriel, Massachusetts baby killing, Chemical abortion, and prayer campaigns!**

August 25, 2026

Dear Father/Deacon,

Please inform your parishioners of these two important meetings we hold each month:

Our **election training session** on Zoom will be held tonight, Tuesday, August 25, at 8 p.m. ET. One can sign up at **ProLifeVolunteer.com** to receive instructions on how to connect. We will discuss how the 2026 primary results taught us a few things.

Prayer is the foundation of all of our work. On September 1, we begin our Election Novena, which can be found at **ElectionPrayer.com**.

From August 28-September 5 we will conduct a Novena in Honor of St. Mother Teresa. See **PrayerCampaign.org/MotherTeresa**.

The **Missionaries of the Gospel of Life** is a program in pro-life spirituality that I developed (based on the public teachings and my personal interactions with Mother Teresa, Pope John Paul II, Mother Angelica, Cardinal John O'Connor and Fr. Benedict Groeschel, CFR) to bear witness before the Church and the world to the priority of the right to life as the foundation of all other rights. Our monthly training this month is Thursday, August 27, at 8 p.m. ET. Visit **MissionariesOfTheGospelOfLife.org** to sign up and receive call-in information.

We have been hearing from the Bishops lately about chemical abortion. Since 1994, Priests for Life has been responding to this ever-growing threat to the unborn. Find some commentary at **PriestsForLife.org/chemical-abortion**.

For the last few years, we at Priests for Life have been emphasizing that the battle over **late-term abortion** is where the focus of our movement needs to be right now. To see some commentary from me and our Executive Director Janet Morana about the Massachusetts law, as well as a good letter from one of the bishops, please visit **EndAbortion.US/Massachusetts**.

We have also been providing unique commentary on the Baby Gabriel case in Texas. When we tamper with the way human life comes about, we end up in moral quandaries and endless disputes. See my comments on two national interviews I did on the topic found at **FrankPavoneDaily.org**.

Blessings,
